SK4 **18x100mm**

A diagram showing a set of 10 open-end wrenches of different sizes, labeled from 19mm down to 6mm. The wrenches are arranged in a descending staircase pattern from left to right. Each wrench is shown in profile, with its handle and head clearly visible. The labels are placed above each wrench: 19mm, 17mm, 15mm, 14mm, 12mm, 10mm, 8mm, and 6mm. The 19mm wrench is the largest, and the 6mm wrench is the smallest.
